Take down policy

Some pages of this thesis may have been removed for copyright restrictions prior to having it been deposited in Explore Bristol Research. However, if you have discovered material within the thesis that you consider to be unlawful e.g. breaches of copyright (either yours or that of a third party) or any other law, including but not limited to those relating to patent, trademark, confidentiality, data protection, obscenity, defamation, libel, then please contact collections-metadata@bristol.ac.uk and include the following information in your message:

- Your contact details
- Bibliographic details for the item, including a URL
- An outline nature of the complaint

Your claim will be investigated and, where appropriate, the item in question will be removed from public view as soon as possible.

CORRIGENDUM NOTE

Corrections and additions to Yasha Maccanico's PhD thesis

"European Immigration Policies as a Problem: state power and authoritarianism".

p. 5, "Dedication and acknowledgements", after "Migreurop.", should include the following:

"Thanks are due to the Euro-African network Migreurop, for permission to use the map on p. 18 and for the wonderfully creative and informative work carried out over several years by its "Cartography" and "Atlas" teams.

Thanks are due to Professor Bob Jessop for allowing me to use two figures from his book "The State. Past, Present, Future" (2016, Polity Press) on pages 35 and 44, and for his inspirational theoretical work and attention to developments in statehood without which this thesis would have been almost impossible to frame in such a way as to achieve its purpose."

p. 11, in the "List of Tables and Figures", the title of Figure 3 should be "Towards a multidimensional analysis of sociospatiality" instead of "Four aspects of sociospatiality", with all other details remaining the same.

p. 35, the legend should read "Figure 2" instead of "Table 2".

p. 44, the legend should read: "Figure 3. Jessop's territory-place-scale-networks (TPSN) framework, "Towards a multidimensional analysis of sociospatiality", Table 5.2 (Jessop, 2016:140).', instead of "Table 1. Towards a multidimensional analysis of sociospatiality. Source: Jessop et al. (2008)".
